THE THREE LAWS OF MEDIATIONS OF THE SIXTH SQUAD: MONEY, MONEY, AND MONEY AGAIN!
In this world, everything can be bought with money!!

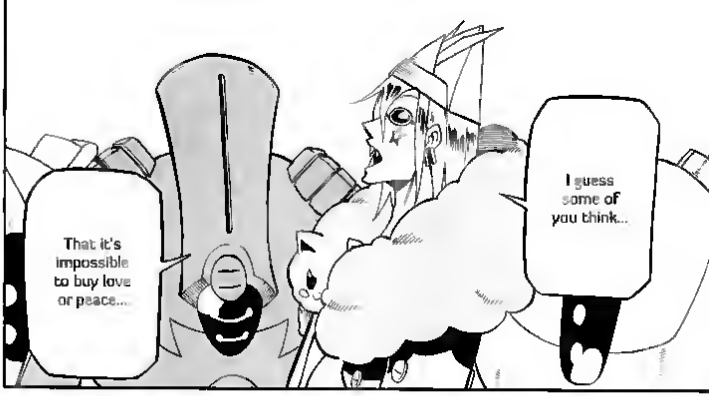
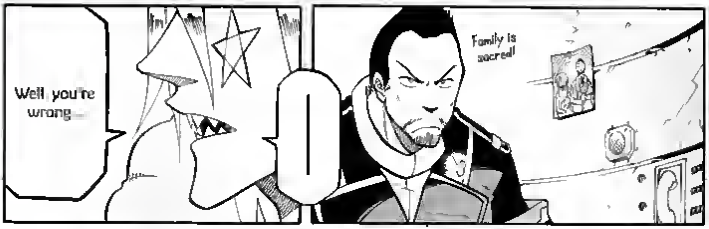
Chapter 22: Let the party begin!!



That it's impossible to buy love or peace...
I guess some of you think...



Well, you're wrong...
Family is sacred!

YOU JUST HAVE TO PAY THE PRICE!
FUCKING POOR TRASH!
WHETHER IT'S LOVE OR PEACE, THERE'S NOTHING THAT MONEY CAN'T BUY!

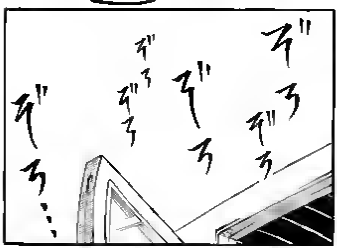
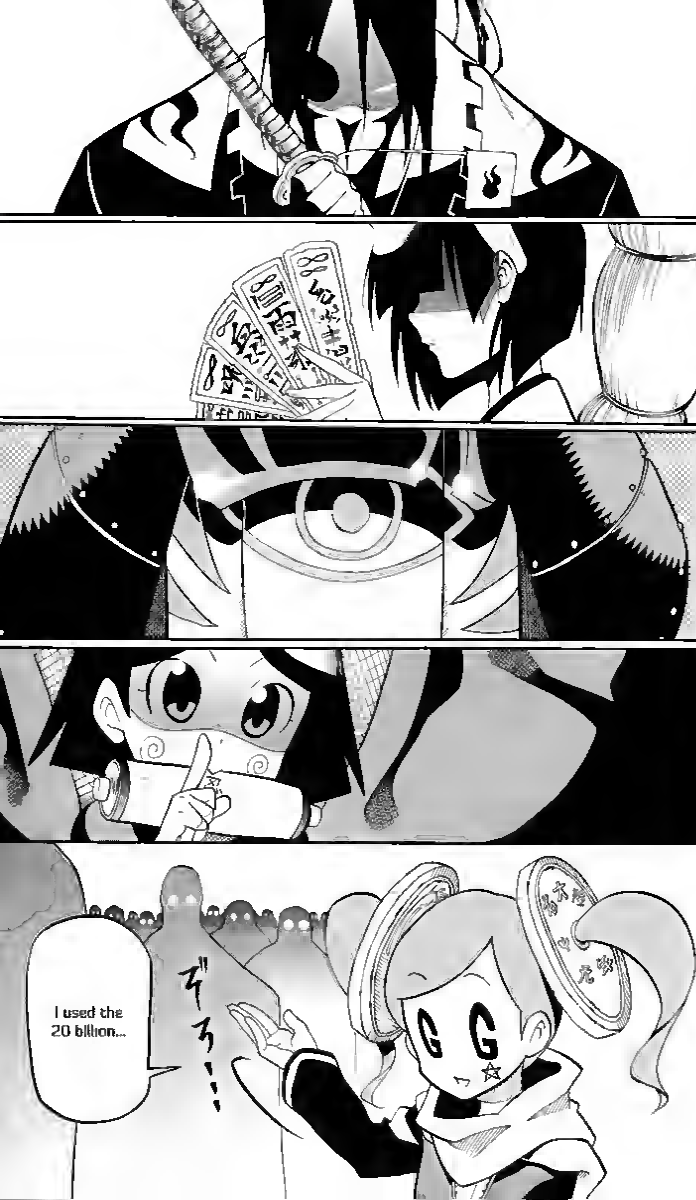
I crossed paths with some enemy soldiers on the way...
Sorry for the delay, General Gold!
Check out the car!

No, I solved the problem gently...
Did you kill them?

Our army is really pathetic!
And chief...



In accordance with your instructions.



I used the 20 billion...

An exceptional mercenary troop~

The strike force, I bought it...
Just like everything else!
These mercenaries are natives from the island of Yamato, in the east!
This time, the theme is:

I even get to restore peace in Canetoon!
And as a bonus
AND ONE SPECIAL GOLD SHOT, JUST ONE!
Gold Cannon!

I choose the 3rd one: Take the money after I kill all of you...

YOU'LL HAVE TO EXCUSE ME, BUT IN MY SQUAD...

I'm not alone anymore...

I hope you're watching me...
To help me eradicate war!
Now...
I have friends...
From up there wherever you are!
I'll take your country back from Xyece's clutches!
But for now...
What's bothering you, rookie?
It's a knife, isn't it obvious?
Nice blade!

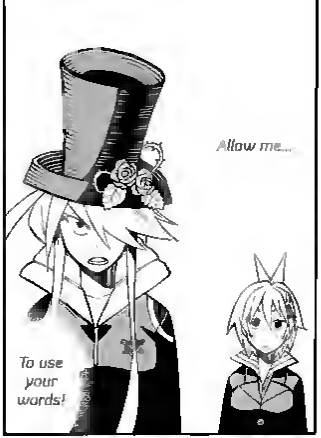
THE WORLD DOMINATION GOAL...
Became unbearable, right?
The idea of being the one who started all this silliness.
AND ESPECIALLY, THE SEISUI BOMB...



Allow me...
To use your words!

I don't regret anything!
I only wish...

TO STOP WAR...

Hmph...

The consequences on your body shouldn't be neglected!
Say...
With such a quantity of Seisui...
Don't worry about me...
I'm doing fine!
I'm the one to blame...
Still the same...
It's my duty to end this war...
ONCE AND FOR ALL!
For Xyece's conquests
And the military use of the Seisui bomb!

That was when...
Careful...
It's dangerous to run in the snow!
You might fall!
I'm perfectly fine!
NO, I'M NOT HURT!
I warned you...
Did you get hurt anywhere?
Shiro was still a child...

Actually, it hurts a lot.

URGH...

huff

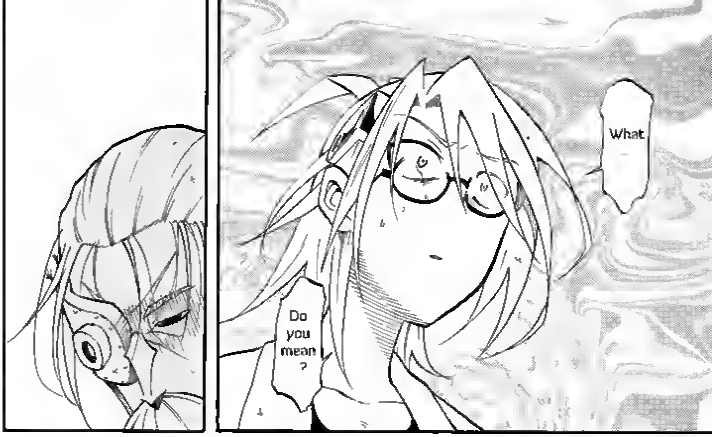
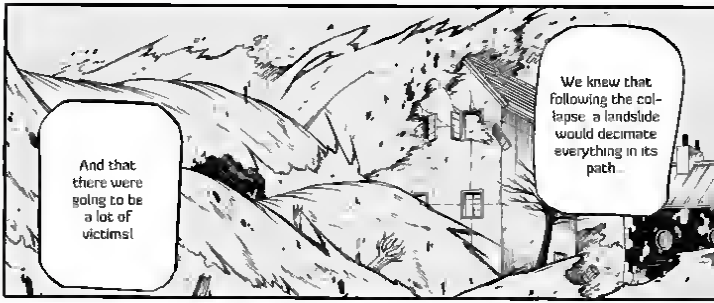
TO BE FRANK...
THE COLLAPSE OF THE MINE...
WASN'T REALLY A SURPRISE FOR US!



What...
Do you mean?



We knew that following the collapse, a landslide would decimate everything in its path...
And that there were going to be a lot of victims!

But to be honest...
WE DON'T CARE!
VIKI

THE PEOPLE FROM THIS DALE DIDN'T BELONG TO THE EMPIRE TO BEGIN WITH .

THE PEOPLE ARE USELESS, AND DON'T MEAN ANYTHING TO US.

If Xyece fought so many wars and absorbed so many countries...
It was all in order to obtain resources and widen our territory!

SO... WHAT WOULD YOU CHOOSE?

zzz
Save your daughter...

huff
huff
OR THE VILLAGE?

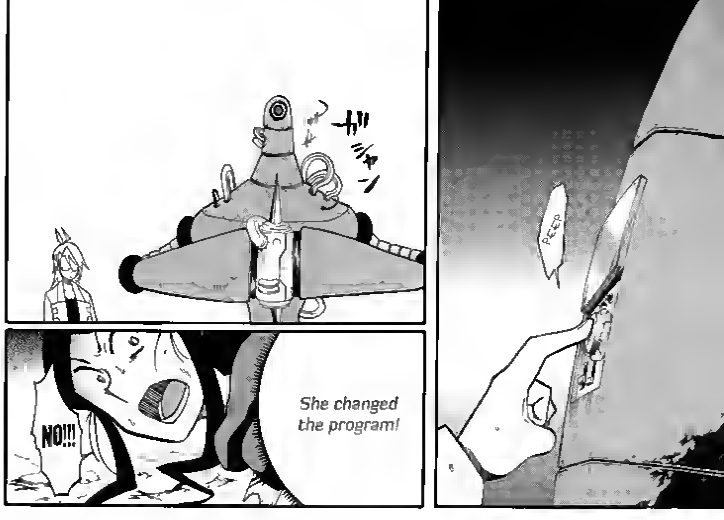
RICE!!
DON'T BE FOOLED!!
THINK ABOUT THE CONSE-QUENCES!

BETWEEN YOUR DAUGHTER AND ALL THE VILLAGERS!!
IT'S NOT JUST... A CHOICE...
YOU KNOW WHAT WILL HAPPEN!
IF THE EMPIRE OBTAINS EVEN MORE POWER...
AND PUT THIS PROJECT IN ACTION!
IT WAS ESPECIALLY TO AVOID IT THAT WE ACTED IN SECRET...
A WORLD WAR...

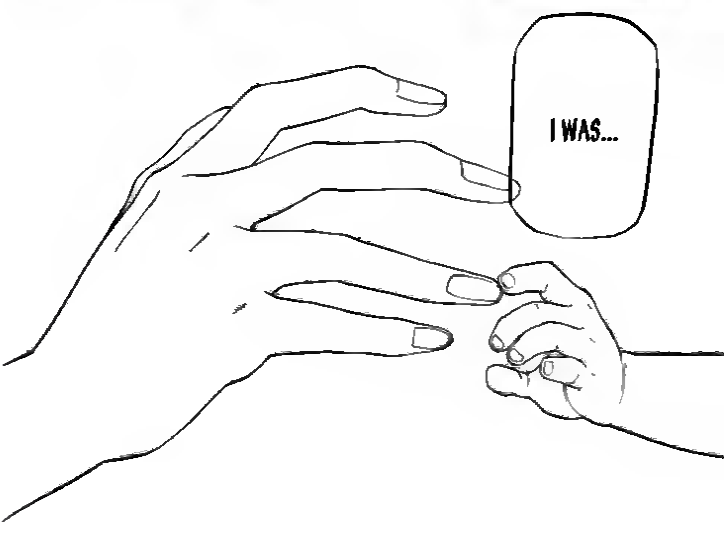
DON'T GIVE UP NOW...
FOR JUST ONE LIFE!
RUN AWAY...
WITH THE BOMB!

.....
Forgive me, Mellin..
Sacrifice my own daughter...
But I can't...

The first time...
I held her in my arms...
I was so happy...



NO!!!
She changed the program!
BEEP



I WAS...

SO
HAPPY...

And it is not something I can forget!

Here is what we built
ガシャン
THE SEISUI BOMB!
OH!
I couldn t let my daughter get killed
As promised...
Here's your child!
Idiot

.....
Everything is over now
zzz

.....
The town is lost!
WHAT WRONG?
LET'S RUN AWAY QUICK!!
WHAT'S GOING ON?!
We don't have the Saisui Bomb anymore...

Sorry...
Mailin...
Now, I also lost my only friend...
……
Everything will be fine...
As long as you stay by my side!
You're all that's left to me, Shiro...
Mom...?
Are you awake... Dear?
Hm...
……?

Oh...
Wow!
Holds such an impressive power!
Ha Ha Ha!
This bomb...
Seisui Bomb

Thanks to me, rather than dying from a simple natural disaster, the people from this mountain...
Had an end worthy of the name!
The town...
Is gone

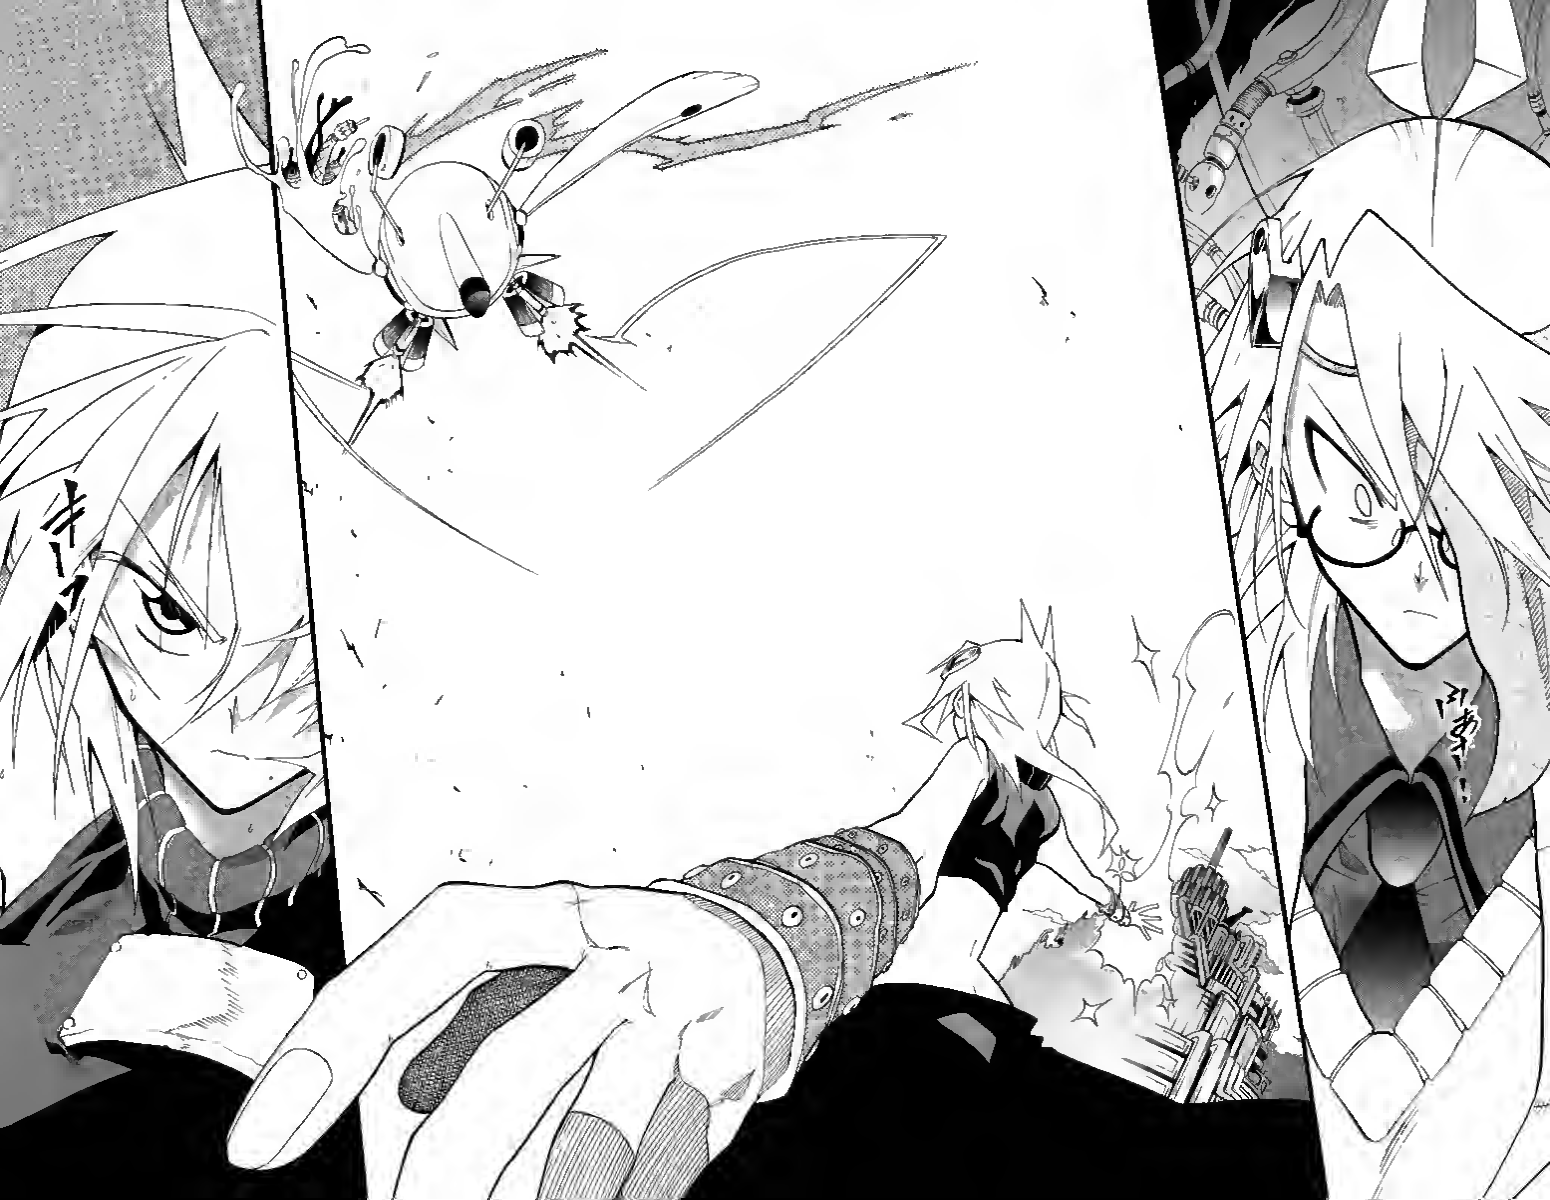
You didn't keep...
.....?
.....
Promise!
Crush my heart and hope to die.
Stick a needle in my eye.
Your promise!
Anymore war machines.
I won't ever build
MOM!!
!!"
YOU LIED TO ME!

SHIRO!
NO, SHIRO, YOU'RE WRONG!
WHA...
.....
It's all my fault!
IF ONLY...
I HAD STOPPED YOU IN TIME!
To give you this bomb back!
Don't count on me...

Shiro
You don't understand
It's for you
That I did that!

WHY...
IN ORDER TO SAVE YOU...
I LOST EVERY-THING!
WERE YOU LOOKING AT ME LIKE THAT?

SHIRO!!



キーン
ガキ！

She changed a lot since then!

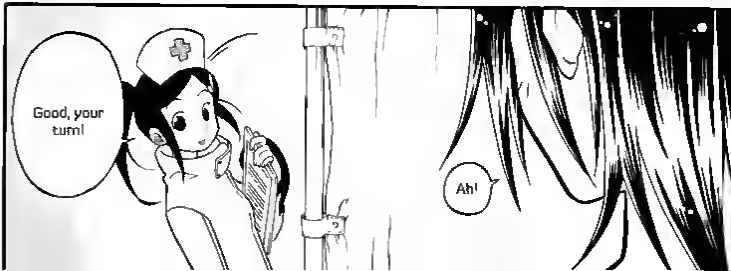
This reminds me of primary school!
Yeah



Good, your turn!
Ah!

Yay let's go!
I don't like cotton, so...

Matsuge... Say, why do you bandage your chest?
Yes?
The doc in question.

But...

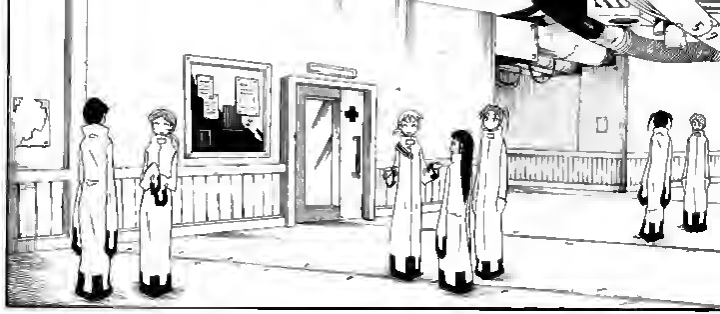
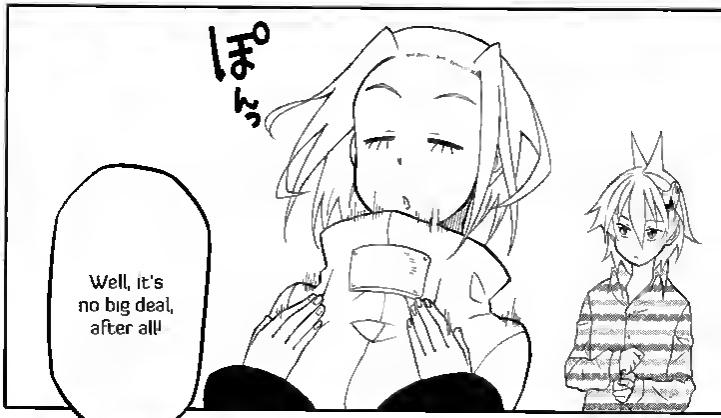
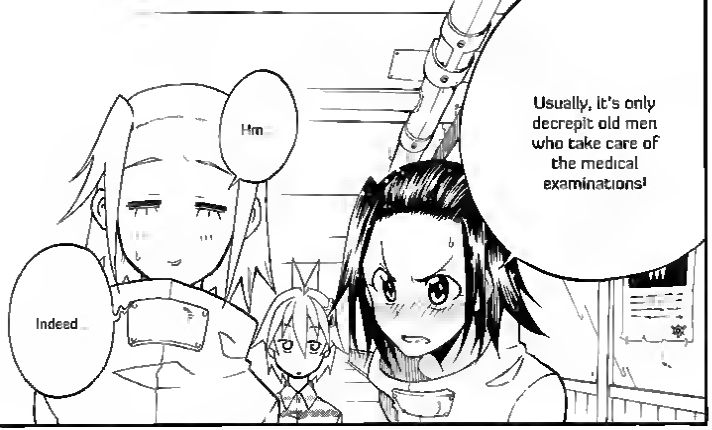
Huh?!
wh...
waa!!
Come on hurry up
I have other things to do!



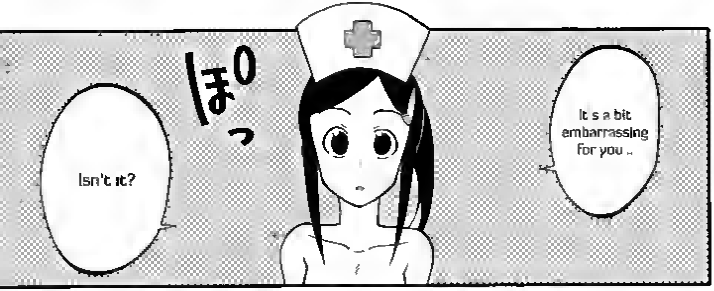


ぽんっ
Well, it's no big deal, after all!

That's not the point!
Besides, he's the best doctor we have!

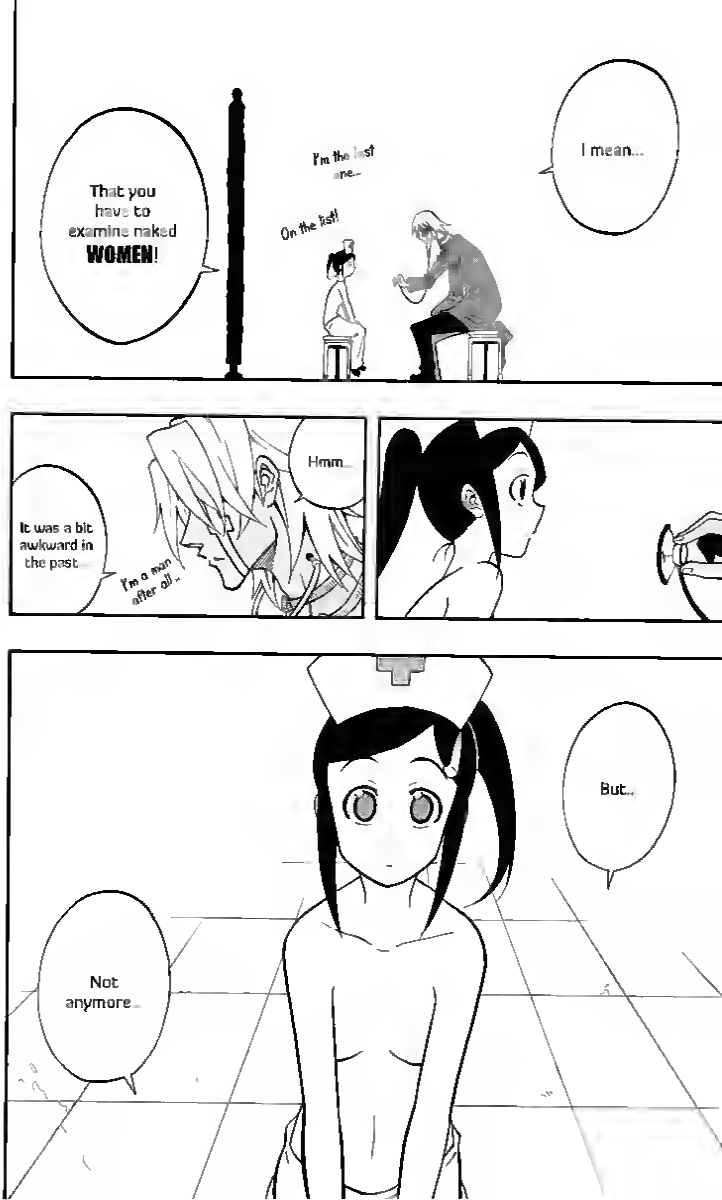


Usually, it's only decrepit old men who take care of the medical examinations!
Hm
Indeed..

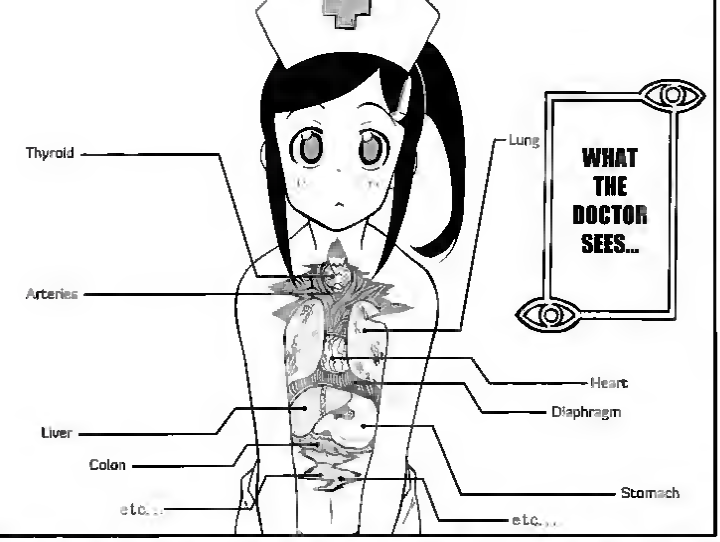


It's a bit embarrassing for you..
ぽっ
Isn't it?

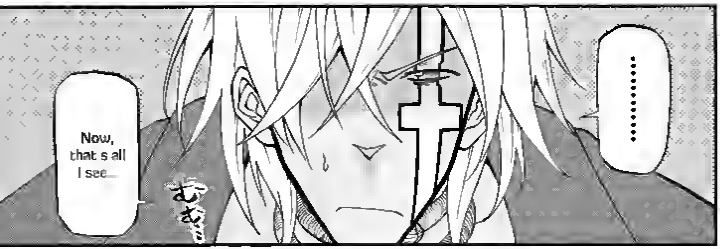
Excuse me?



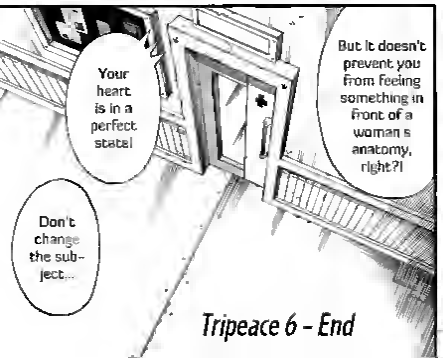
I mean...
I'm the last one...
On the list!
That you have to examine naked WOMEN!
Hmm...
It was a bit awkward in the past...
I'm a man after all...
But...
Not anymore...



WHAT THE DOCTOR SEES...
Thyroid
Lung
Arteries
Heart
Diaphragm
Liver
Colon
Stomach
etc...
etc...



Now, that's all I see...
.....



Your heart is in a perfect state!
But it doesn't prevent you from feeling something in front of a woman's anatomy, right?!
Don't change the subject...
Tripeace 6 - End

I believe it's not easy being a doctor...

Let's talk a bit about manga!

We always put a bit of ourselves
Ichika-san
Inside mangas
Maru
Yeah, I heard about that
Besides, a lot of heroines incarnate the feminine ideal of their creators!
He's never rewarded for his efforts
He doesn't know anything about life
For instance, Nana is a lot like me in many ways
Shiro
Nana
They're complicated people indeed!
Ha...
And especially she's never satisfied
But she's scary
Mine is strong
However, in my case
Ha Ha
Maru
We realize that, above all, I don't understand anything about women!
